Hi Deb!

I'm glad I met you this year. You're great to have around even if sometimes you get too sarcastic for me! maybe you & Steve will get down (joke) but I know you'd love every minute of it. I hope we stay buddies forever & we do alot of crazy things but I wouldn't want it any other way. I sure do hope we'll see alot of each other this summer & bayonbay am I glad schools almost out! Stay the way you are!

P.S.

By the way I adopted you as my sister, aren't you pleased? Bye sis!

Love,
Boog

Since you're mad that I signed more in Andrea's than in yours I guess I'll be nice & finish what I started! Since I know you want to hear conceited things I'll say you are my cutest, sweetest, friendliest, wierdest, dingiest, dingiest & favorite & best friend I have (even tho I'm lying! we'll get together this summer & cause trouble, OKAY?)

P.S.

I was only joking about all those flattering things - they're true! Aren't I sweet?

Love,
Boog

LIBERTY

Debbie!

Howdy! Well, we've just barely survived another year of school. If it weren't for A Lunch, we couldn't have made it through the day! Always remember this profound saying: Get Really Stoned (Eat wet cement?). Call me this summer so I won't sit there taking bong hits and wonder, "What's Debbie doing now??" We, the unsung and unskilled, wish to thank the tolerance, kindness, and help from PATRIOTS, teachers, office staff, custodians, and our understanding men up front, Bob White and Bob Zimmerman, without whose help in finding nickels and dimes, this first edition of the PATRIOT would never have come to pass.

Debbie,

Well we have had one heck of a year. And I only have one left and you have two. (Ha. Ha)
I hope you make the best of your high school years. Thank you for all the times you went to lunch with me. We will have to go to the state park a lot this summer and pick up some guys. Third period was a real blast and I'm glad you were in there to make it that way. I hope you get everything out of life that you want, I'm sure you will because you're the type of person who makes the best out of any situation. The best of everything to you.

Love ya much,

Kelly Updike
